### Press Release

## Amundi launches a share repurchase programme as part of performance share allocation plans

Paris on 7 October 2024

**As part of performance share allocation plans and after having obtained the necessary regulatory authorisation, Amundi is announcing the launch of a share repurchase programme, via a mandate agreed with an Investment Services Provider (Kepler Cheuvreux)**

In accordance with the authorisation granted by the Ordinary General Meeting of 24 May 2024 and delegated by the Board of Directors to the Chief Executive Officer, the share repurchase programme will have the following features:

#### 1. Objective

Shares will be acquired for the purpose of covering the performance share allocation plans that have already been allocated and those in the future.

To avoid the dilution of existing shareholders, Amundi has decided not to issue new shares, but to purchase on the market the shares that will be delivered starting in 2025 (following a vesting period and subject to certain conditions of performance and presence<sup>1</sup>).

#### 2. Number of shares and maximum amount

The total number of shares to be bought back on the market should not exceed 1 million<sup>1</sup>, representing around 0.5% of the share capital. The total amount allocated to this programme cannot exceed €80 million.

#### 3. Features of the purchased shares

The Amundi shares in question are those admitted for trading on the Euronext regulated market in Paris under ISIN code FR0004125920.

#### 4. Duration of the share repurchase programme

The authorisation of the Ordinary General Meeting of 24 May 2024 has been granted for a period of eighteen months, starting at the date of the AGM.

This programme is part of the share repurchase programme described in Chapter 1 (pages 42-43) of the 2021 Universal Registration Document filed by Amundi on 18 April 2024 with the French financial markets authority (AMF) under number D.24-0302, available on the Amundi website: <https://legroupe.amundi.com/regulated-information>. Changes to any of the features of this share repurchase programme during its implementation period shall be communicated according to the procedures provided for under Article 241-2 II of the AMF's General Regulation.

It is also reminded that as at 30 September 2024, Amundi already holds 958,031 shares under the share management agreement signed with Kepler Cheuvreux and under previous share repurchase programmes.

---

*The number of shares granted will only be final upon delivery.*
